Re: ABF Meeting @ the Mansion  
March 19, 10am

Leigh,

Eight of the nine university presidents that were invited to the ABF meeting have RSVP'd and will be in attendance. The one exception, Clemson, will have their acting CEO attend the meeting instead of President James Barker.

Originally, the meeting was open exclusively to University Presidents. However, President Barker has recently undergone serious open heart surgery and is in very poor health. Christian and the Governor decided that his poor condition justifies Clemson allowing a representative to attend.

Below is our guest list:

Clemson University:  
Dr. Dori Helms  
Provost and Vice President of Academic Affairs  
Acting Chief Executive Officer

University of South Carolina  
President Harris Pastides

The Citadel  
Lt. General John W. Rosa

Coastal Carolina University  
Dr. David DeCenzo

College of Charleston  
Dr. P. George Benson

Francis Marion University  
Dr. Luther F. Carter

Lander University  
Dr. Daniel W. Ball

SC. State University  
Dr. Cynthia Warrick

Winthrop University  
Dr. Anthony J. DiGiorgio
