Subject: Denmark Technical College Area Commission

Katherine,

I wanted to follow up with you regarding the Denmark Technical College Area Commission. The Governor and Beth Webb, our Commerce Liaison, met with the Delegation members from Allendale, Bamberg, and Barnwell, back in June regarding the Commission and notified the members that all Delegation seats on the Commission were either vacant or expired (as seen in the attached list). We have not yet received any nominations or heard any follow up from any of the Delegations since that meeting in June.

To reiterate, the Governor is looking for the following nominations by Friday, September 25:

2 names from Allendale (Senator Hutto and Representative Hosey)

2 names from Bamberg (Senator Hutto and Representative Bamberg)

2 names from Barnwell (Senator Hutto, Representative Bamberg, and Representative Hosey)

We need a formal letter from the Delegation stating the name of their nominee, the seat he/she will be filling, who he/she will be replacing on the Commission, and contact information (email, address, and phone number) for the nominee. I will handle distributing the application to those individuals nominated by the Delegation, if they prefer, in order to expedite the process.

If you have any questions, please let me know.

Sincerely,

Katie R. Philpott
