Chaney,

I have been in meetings. Just saw this. I would not respond to Sen. Scott's comment. Apples to oranges in many ways. Richele

Richele and Becca,

Do y'all suggest we respond to the following question? Tim is on deadline for 5 PM. The full request is below.

Sen. Scott said if the governor was willing to take action on the Richland County Recreation Commission, he wonders why no action has been taken with the DDSN commission. Any response to that?

Nothing to add on my end. We support accountability; are still working on commissioners (but this is not public); and the RCR comparison is a question for the legal shop.

David-

Is there anything additional you feel we should add here? Tim is on deadline for COB (5PM) today.

Chaney,

I am writing a story for the morning about John Scott's pre-filed bill to put DDSN into the governor's cabinet.

Several questions for you, beginning with I assume the office has not changed positions on this since I quoted Rob in August saying the governor supports more accountability?

Will the governor take any action on DDSN commissioners whose terms have expired (I understand the chairman's has)?

Sen. Scott said if the governor was willing to take action on the Richland County Recreation Commission, he wonders why no action has been taken with the DDSN commission. Any response to that?

Thanks!
