Hi Katherine,

My name is Sarah Gulde and I'm the new Finance Manager at Sadie Golf. It just came to my attention that you were supposed to have been sent a revised invoice for the First Gentlemen's tournament earlier this year. My apologies that it's taken so long - I've attached the revised invoice with shipping removed, and I'm available if you have any questions or concerns.

Thanks,  
Sarah Gulde  
Finance Manager
