Subject: Phishing Email

If you receive an email from "Webmail Upgrade Form"

With a subject of "DEAR USER!!" Do not open that email or attempt to respond to it.

The email asks for your name, user ID, Password, etc. Drag it into your Junk folder. By moving that email to your junk folder, future email from that sender will appear in the Junk folder instead of your Inbox.

As a reminder, neither OEPP IT nor DSIT will ask for that kind of information in any email.
