The following is a list of issues I have concerning SC State Government:

1. Please stop wasting our tax dollars on South Carolina State University. If the school cannot financially function they must close or make cuts
2. Do not fund the African American Museum. This project started out with African American Groups funding at least half of the total cost but they failed. Hum, kind of sounds like SC State. This is another Joe Riley project that Charleston cannot afford. African American Museums have financially failed all across the country. .
3. Stay away from the two racist state representatives Wendell Gilliard and Marlow Kempson. Enough said on this issue
4. Please appoint a new Public Service Commission that will stop allowing SCEG from continuing raising our rates. There was an article in the Post and Courier a few weeks ago about another rate increase..
5. Lastly- **DO NOT RAISE OUR GAS TAX. NOW THAT GAS PRICES ARE LOW EVERY POLITICAN FROM COUNTY COUNCIL TO OUR REPRESENTATIVES IN WASHINGTON ARE TRYING TO TAKE THE SAVINGS FROM US.** I am saving 40 dollars a week on gas and can now afford to take my family out to eat once a week and put the savings back into the economy. **ARE YOU SURE 100% OF THE TAXES COLLECTED NOW ARE GOING TO ROADS AND HIGHWAY REPAIRS?**
