Two by two.....

**Ed Piotrowski WPDE**

You're not seeing double. There really were two gators using the cross walk at Huntington Beach State Park Saturday. Awesome shot Terry Egan!

**Brandy Summerlin** At least they aren't jaywalking.

at 12:51:40 on 9/15/2019 UTC

**Jimmy Kinard** I always thought the crosswalk was for humans, but it seems they have taken it over.

at 12:54:50 on 9/15/2019 UTC

**Carey Barber Kersey** Two southern gentleman right there 😊

at 12:55:14 on 9/15/2019 UTC

**Michael Money** At least they are being safe when crossing the street!

at 12:56:44 on 9/15/2019 UTC

**Shelley Streeter** Layne they are so polite

at 12:59:13 on 9/15/2019 UTC

**Barbara Burns** That's why I won't tent camp there

at 13:00:41 on 9/15/2019 UTC

**Penny Wallace Goddard** This was awesome to see! One gator got toward the end and laid down in the road for a few minutes before continuing on

at 13:51:14 on 9/15/2019 UTC

**Mina Harrington** Barbara Burns I am getting very leery about camping at any of our coastal parks because of them. I have 2 small dogs who are like children to me. It used to not be this bad.  
at 13:53:13 on 9/15/2019 UTC

**Joyce Alice Smith** I used to live in an area where the deer used crosswalks all the time! But I love seeing the gators do this!  
at 13:54:05 on 9/15/2019 UTC

**Barbara Burns** Mina Harrington I do too . They love camping and I have pens but at night would be problem with intrusions by wildlife into tent. Also then I'd have to pay for boarding which makes camping less affordable  
at 13:56:13 on 9/15/2019 UTC

**Mina Harrington** Well this certainly has changed my mind about coming to camp later this year. I value my 2 little dogs too much to put them in danger.  
at 13:56:21 on 9/15/2019 UTC

**Markus Amoungus** Mina Harrington anything to keep little dogs out of camping areas can only be good.

at 14:00:11 on 9/15/2019 UTC

**Joshua Jones** And using a crosswalk. We cant get people to understand that concept.

**Mina Harrington** Markus Amoungus -- I would highly recommend that you make sure the wife of your camping buddy, Jim, doesn't find out your view on dogs.

at 16:00:34 on 9/15/2019 UTC

**Markus Amoungus** Mina Harrington He knows my view of dogs on the trail. Dogs at your home, fine. Dogs at shows, great. Dogs on the trail? Pain in the butt, every. time.

**Jennifer Kart-Mart** Barbara Burns I was thinking of tent camping there but this has changed my mind. We have two little kids, we will visit and stay somewhere else. ➡

at 17:58:44 on 9/15/2019 UTC

**Mina Harrington** Markus Amoungus -- ummmmm, Markus we aren't talking about dogs being "on the trail" in the backcountry. These are campgrounds.

**Penny Baskin** I bought a small popup after my campsite flooded one year. Never regretted that decision now my dogs can go with me.  
at 21:32:49 on 9/15/2019 UTC

**Barbara Burns** After getting flooded with water and mud along with rest of tents in area, and their kayaks, pretty much said to heck with it. It was a mess that day and we all helped each other. Looked like I did mud wrestling. It was brand new tent too. First time out. It was so water log took 3 of us to lift it and try to roll it up. We broke supports in the effort. Going to go back to pop up I had years ago. But new ones much nicer than 1986 models.

**Darren Nottle** Such polite gators to use the appropriate crossbwalk.  
at 10:51:29 on 9/16/2019 UTC

**Becky Crocker** Markus Amoungus RUDE!😡😡 As long as poop bags are used, what's wrong with dogs in camping areas? Better idea would be to keep rude people out of camping areas.  
at 14:11:13 on 9/16/2019 UTC

**Kelly Jones** Terry Canavan this is where we are going Friday 😊😊
