Ann G Winkler-Fitzgerald Didn't think I would be able to watch the ride, motion sickness ...but that was not the case. I liked the videoing so I could see the trail ..but that diamondback which I have been on one had me feel like I was not quite experiencing it but I was getting a sensation of that ride. Thanks!

Frank Stovall Mike Hogge - you were asking me about this park the other day - here's some inside scoop - a ride along with Ranger Terry - who I had the pleasure of working with when I was in SC. Enjoy!
