To whom this may concern; this letter is in-regards that I have been a victim of a scheme. This scheme includes a Customer Service rep with the One Main Finance Company located on Forest Drive Columbia, SC name Ms. Edmund. I had inquired through a friend name Ms. Angie Jefferson if she knew of any one that could get me a \$50,000.00 loan to build a church. She introduced me to a Michael James Jones. I met with Mr. Jones and explained to him that I was trying to get a Church build and he advised me that he could help me and that I would have to me him and he would have to take me to this loan company and that I was to only ask and speak with Ms. Edmund because she already had my information that I provided to him the night and they have already set it up for me to get a loan in the amount of \$10,000.00. I asked him why and he stated that because this is how it works that he has people that works in different loan companies that does work for him. I went into the office and asked for her as he asked me to. She completed the loan with me. While inside Mr. Jones and Ms. Edmunds placed several phone calls to one another in-regards to what was taking place. At the time I was not aware of what was going on. I thought that they was helping me not scheme me. She told me to cash the check at the BB&T bank. I cashed the check and gave the money to Mr. Jones and signed a contract stating that the money

was supposed to help me get my church started on Oct. 15, 2014. That never happened. I found out afterward that Mr. Jones have done this multiple time to other victims and she is in on it. I'm requesting an investigation to open up on Ms. Edmund because of this. I need help in this matter I have tried the police, Sled and the FBI I cannot get any help. I have proof that Ms. Edmund has done this before. I was advised by Ms. Angie Jefferson who has asked Mr. Jones to help her with her credit stated that she received a copy of credit report that Mr. Jones had Ms. Edmund to pull her credit with her permission and knowledge to get a loan without her knowing about it. I have proof of other people that has been scheme by Mr. Jones and possible Ms. Edmund as an inside person helping him with this loans.

Please I need your help. This need to be looked into  
Thank you for your response. Again thank you
