Subject: Amendment

Christian & Katherine,

Attached are three documents that will be in the members' notebooks for the Finance Committee meeting this afternoon.

The Suggested Perfecting Amendments is the three page summary that you have seen.

The excel document is a summary of the actual changes to the Judiciary Committee amendment to S22.

22R011RED is the full amendment with Ken's red letters that display the changes to the Judiciary Committee amendment.

Please let me know if you have questions.
