Dear Ms. Nikki R. Haley,

The Swiss-based G-20Y Association is pleased to invite your organization to nominate 2 individuals in corporate executive leadership positions for participation in the 7th G-20Y Summit, which will be taking place in Geneva, Switzerland, from 21 to 25 September 2016.

During the G-20Y Summit, the G-20Y Association gathers every year approximately 100 individuals in corporate executive leadership positions from the most prestigious leading companies in the world, G20 countries, and their sectors.

Participants during the G-20Y Summits 2010-2015 have been representatives from, for example, HSBC Holdings, MasterCard, Statoil, SocieteGenerale Group, PepsiCo, ORIX Corporation, FedEx, KPMG, Nestle, ING Group, ENI, Rolls-Royce, Insurance Australia Group, Siemens, Prudential Financial, Total, Intesa Sanpaolo, Airbus, Standard Bank Group, E.ON, Bosch, Bayer AG, EDF, Zurich Insurance Group, PWC, Lufthansa, ENEL, Philips, Deutsche Bank, Royal DSM, Swiss Re, Unilever, Munich Re, Lafarge, Nordea Bank, Mercedes-Benz AG, GDF Suez, Schneider-Electric. The list of participants has also included senior official representatives of national and regional governmental organizations.

The objective of the G-20Y Summit is the preparation by the business community of a set of recommendations relevant not only to itself but also to the larger civil society and of course to national and international policy decision makers.

While the G-20Y remains entirely independent from the G20, the annual recommendations are disseminated across the world and shared, in particular, with the Heads of States and organizations such as IMF, World Bank, UN, OECD, European Commission or Basel Committee on Banking Supervision, and other associations to which

the output of the respective G-20Y Summit Committees might have an impact and relevance.

In order to develop those recommendations the participants will work respectively within the following tentatively designated Committees during the G-20Y Summit 2016:

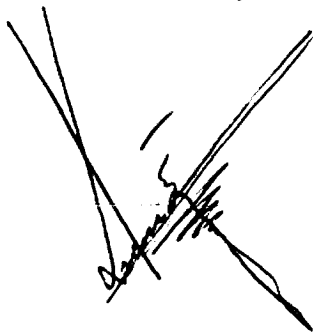

- I. Energy Markets Committee;
- II. Food Security Committee;
- III. Global Financial Industry Committee (Banking, Insurance etc.);
- IV. Global Demographic Developments Committee;
- V. Creating Jobs Committee;
- VI. Digital Innovation and Transformation Committee.

The impact of these most promising representatives from participating companies and their exclusive role determining recommendations ensure that, the G-20Y Summits not only add value to the business community's efforts in responding to the global social, economic, and financial challenges, but also serve as a unique capacity building platform for the selected executives to gather together in an exchange of ideas and best practices while building and enhancing personal and professional relationships.

The G-20Y Association would appreciate receiving your nomination letter, together with a short description of your candidate's profiles, talents and achievements no later than March 15, 2016 to be sent by e-mail to [g20@g20ys.org](mailto:g20@g20ys.org).

Your support and participation will ensure that we can once again look forward to accomplishing our mission (for more information please visit our website [www.g20ys.org](http://www.g20ys.org)) and a rewarding G-20Y Summit 2016.

Yours sincerely,
