Subject: URGENT Re: Native American Heritage Month - 19th FILM FESTIVAL/Catawba Studios/ SC Film Advisory - NOVEMBER 2016

Dear Ms Thomas & Ms Dupree & Governor Haley:

As I annually do I am requesting a Proclamation be created in observance and celebration of National Native American Indian Heritage Month. This year the requested Proclamation is slightly different narrative focused on the 19 year old Film Festival and the recent partnerships and move of this regionally significant festival to Rock Hill.

I am requesting, once again , that SC joins us in celebrating **National Native American Indian and Alaska Native Heritage Month** by proclaiming "**South Carolina Native American Month 2016**" in conjunction with the national observance. Of course we have the legislative Bill that created Native American Awareness Day, as Nov 18th . I just wanted to also get the Executive Branch of Government to Proclaim it Native Heritage Month , as we have always requested since 1994.

Attached you will see NEW NARRATIVE for this years' proclamations, I have attached a draft for your use.

We appreciate your expedience with processing this Proclamation request, because we need this "*said proclamation*" in order to begin planning, fundraising and our educational out-reach. If I can be of any assistance to you or if you have any questions regarding this request, please feel free to call me (803) 397-3938. **The Proclamation can be mailed to us or I** can send someone to pick it up when it is ready. Could you please prepare an original of that one for me to also pick up.

Thanks Again, as we say in Cherokee Language '*Wado!*' Thank You in advance,

Dr. Will Moreau Goins, Chief

Thank you, Dr. Goins. I am starting to work on the November procs now. While I received the attachment of last year's proc, I do not see the draft you mentioned. Do you have changes in mind?

Thank you again, and I hope you have a great day.
