Subject: Reminder: PCard contacts for Bank of America

Attachments: Contacts 2015.pptx

Good afternoon,

This is a reminder to send **ALL** servicing related Purchasing Card and/or ePayables email requests to dedicated_card_east@bankofamerica.com email address. LaTrendia is still the dedicated Account Specialist but her direct email address is limited in use. To prevent delays to your email inquiry please use the email address above for any account service related inquiry:

- We created a small team of knowledgeable, industry experienced “Dedicated Service Consultants”. The Dedicated Service Consultants will support your Dedicated Account Specialists in managing your relationship/handling of your routine service requests
- We also established a new email box to receive your email requests; this will allow us to monitor your requests more closely, ensures faster acknowledgement and resolution of the request in the event your Account Specialist is unavailable.
- Extended servicing hours – 7AM EST to 5:30 PM EST
- Increased effectiveness in response times, 50% of all requests being responded to and within an hour

The enhanced changes and additional support will allow improved focus on more complex requests and the overall relationship. LaTrendia will remain your Dedicated Account Specialist and you can still contact her at (800)822-5985 ext. 38311

Note - The Technical Help Desk will remain your support for all Works-related inquiries. They are available 7:00 AM - 9:00 PM ET, M-F; 888.589.3473 or at commcardthd@bankofamerica.com.
