Hi Jimmy,

I am appreciate you reaching out to me. Please accept my sincerest apologies for not communicating this to you sooner, but, the Lieutenant Governor will not be able to participate next week after all. He will be in Washington that week and will not be back in time. I had hoped that to be able to work out the travel details in a way that would allow him an opportunity to do both. He would very much like to speak to your group if given another opportunity.

Again, I apologize for the inconvenience that this may have caused.

Sincerely,

Lily
