I've called Lisa with no answer and will send an email to follow-up.

Be advised that state law requires us to suspend these transportation regulations when NC or GA suspend the regulations due to a state of emergency. I will call DOT to verify NC's order and our draft template order. Following DOT's approval, we will need authorization from the Governor to issue.

Hi Katherine!

I received word from my counterparts in NC that Governor McCroy has issued the attached State of Emergency and Transportation Waiver. My Retail Association members are asking if Governor Haley / SC is also going to issue the above mentioned. Will you let me know?

THANK YOU!!

Lisa
