Subject: HCBS Conference Starts Monday with Pre-Conference Intensives!

Looking Forward to Seeing You Soon!

Things to Know Before You Go:

**We are
looking**

forward to seeing everyone in Arlington, VA on
Monday!

The 2014 **National HCBS Conference** is going to be the largest to date! Because of this, we will be requiring everyone to wear their **name badges at all times**. As workshop rooms fill up, staff will be around to help direct you to a less full session. We thank you in advance for helping things run smoothly.

On **Wednesday, September 17th**, from 7:30 to 8:15 am in the Regency Ballroom, officials from the Centers for Medicare and Medicaid Services will participate in a discussion and

listening session at the HCBS conference. The **listening session will be focused around the new Medicaid Innovation Accelerator Program (IAP)**. During this session, stakeholders are invited to join in an in-person conversation designed to share our thinking about the work that will take place under the IAP and to get your ideas and feedback.

This year the HCBS Conference is offering a **Conference App**, which includes a full detailed agenda that you can bookmark, a listing of all attendees you can connect with through the app, and a complete listing of our exhibitors and sponsors! The mobile app for National HCBS Conference App is **now available**. **Your log-in is the email address you used to register and the password is: [hcbs](#)**

Engage and win! Participate within the HCBS Conference App by posting in the activity feed, checking-in at sessions, liking and commenting on other people's posts, and you can be entered to win prizes!

See you soon!

See you next week!
