Is there going to be a way to reserve spots with some state parks? I have a yellow all park pass and I travel around 3 hours to the good hiking trails up in the north western area of the state. I would like to know that I can travel and be able to get a spot rather than travel 3 hours to be turned around when I paid the money for an all park pass. Any information would be greatly appreciated

You can reserve a spot at Jones Gap State Park on Fri, Sat & Sun and there are parking spaces to reserve at Devils Fork State Park. Otherwise, parking is first come, first serve.
