Subject: meeting with Denmark Tech delegation

KV and Haley,

Gov. Haley asked to meet with the delegation that serves the area surrounding Denmark Tech. The names we came up with were Sen. Hutto, Rep. Hosey and Rep. Bamberg, and also Sen. Matthews. If there are additional members you think we should include, we certainly can. I think the Governor would also like to discuss The Technical College of the Lowcountry as well.

She did say she would like to have the meeting sooner rather than later. Nicole, are there some target dates we could shoot for?

Thanks,
Beth
