This is a follow up to a previous request:

To Whom It May Concern:

I wanted to follow up on the following Freedom of Information request, copied below, and originally submitted on Nov. 23, 2015. Please let me know when I can expect to receive a response, or if further clarification is needed.

Thanks for your help, and let me know if further clarification is needed.

On Nov. 23, 2015:
To Whom It May Concern:

Pursuant to the South Carolina Freedom of Information Act, I hereby request the following records:

Requesting the address(es) of property(ies) from which the fill material was taken for the sandbags that were used to repair damage to the Columbia Canal after the torrential biblical rains in September - October 2015.
Recall that the South Carolina National Guard performed much of the work.

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

In the event that fees cannot be waived, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 15 business days, as the statute requires.

Sincerely,

Travis James Bennett
