**Subject:** The Late Show with Stephen Colbert Request

---

Dear Chaney,

I hope all is well. I am a talent producer for The Late Show with Stephen Colbert. I am emailing because The Late Show will going live for both conventions. Stephen will be traveling to each convention for two days and will air live shows from our NYC studio at 11:30pm. We would love for Governor Nikki Haley to talk to Stephen during the RNC in Cleveland by satellite or when Stephen is there in person. These will be highly promoted and exciting shows. We think the Governor would have a lot of fun participating. Please let me know if we can talk further. We are happy to work with her schedule.

All the best,  
Monica Hickey
