Columbia, SC 29201

Dear Ms. Philpott:

This letter is in regard to Greenville County Council's nomination of Mr. Johnny R. Christy to the Boiling Springs Fire District Board. County Council has asked me, on their behalf, to re-affirm their support for Mr. Christy's re-appointment to the Boiling Springs Fire District Board.

Mr. Christy and his spouse have experienced periods of unemployment, under-employment, and medical expenses that are being dealt with currently. Greenville County is fortunate to have a citizen, who for 30+ years, has given countless hours in volunteer service to his community with the Fire District. Council Members applauded Mr. Christy's volunteerism even during times of adversity.

Sincerely,

Theresa B. Kizer, C.C.C.
