The Honorable Nikki Haley  
Governor of South Carolina  
1205 Pendleton Street  
Columbia, SC 29201

Dear Governor Haley,

As the Senator from District 23 in Lexington County, I would like to ask that as the Governor of South Carolina that you please end South Carolina's willingness to accept international refugees into our state. I have heard from many within the district and across South Carolina over this weekend and today that are asking that now more than ever that we stop this threat of potential terrorist access. It is on the record that you support this refugee program. Please cancel this agreement you and the Department of Social Services have made with any third party groups to provide shelter to these potential terrorist. Our Department of Social Services has plenty of other work to do and with the recent disaster in our state we certainly need to be diligent of our own needs.

Again, I ask that we protect our State from this serious threat of terrorist activity,

Sincerely,
