So what I've been able to figure out, and I called Paula Benson (she handles HOA for Judiciary) to confirm, is that Rep. Pope have not sponsored a bill relating to HOAs. However H. 3886 does provide HOA reform and has some traction. Can you get clarity on what the question is please.

Can you get me an opinion on a homeowners association bill sponsored by Tommy Pope? Had another question about that today and need to form an opinion and post on Facebooks
