I know y'all are swamped. **NOT URGENT**

Please see the below request. If you are interested in pursuing this, let me know. After speaking with Jack Rogers over the phone, I believe the spread would come out favorable. That to say, it is my recommendation that we move forward with doing this, but email responses will probably be the most efficient way to meet their deadline; however, I will defer to you on that. Just as a matter of information, the cover for the below-mentioned issue will be their Global Bio Report. They only put governors on the cover for State of the Year (Jan/Feb).

Thanks,

Adrienne

Hi Adrienne,

Just want to touch base on the South Carolina Governor's Report (we postponed when Gov. Haley gave the State of the Union response). We would like to schedule it for our upcoming March/April issue, which will be a great opportunity to showcase Gov. Haley's leadership and the recent economic development success stories in SC. Please let me know if you can set this up (I can send you some updated questions later this week). As previously indicated, we can accept email responses if it is not convenient to do a telephone interview with Gov. Haley. Will need the responses by March 14.

Thanks.

Best,

Jack
