Jasper County Legislative Delegation  
PO Box 2433  
Ridgeland, SC 29936

Dear Helen,  
Pursuant to my recent re-appointment to the South Carolina Conservation Bank Board, the Governor's office has informed me that my position as a Member of the Jasper County Forestry Board could be a potential conflict of interest to my service to the Bank. Accordingly, I am regretfully resigning my position on the Forestry Board immediately. I have enjoyed serving and will continue to promote the benefits of Forestry in Jasper County as a private landowner.

Sincerely,

Andrea W. Clark
