Bart - I cannot remember if I responded. NY has not signed, but I do not think they have received the document per the person in charge of these Orders. I had them pull the tracking. They should have it now. They are supposed to provide me the correspondence between NY and SC on the issue so I can see if NY is in agreement, but the person was out of the office Thursday and not returning till Tuesday. I will forward when I get a copy.

Richele:

We are in the process of setting up the transport of Inmate Sampson from Fairfield Co. to SCDC. Do you know whether New York has signed? Have they verbally agreed, but we just don't have the signature? I don't want to get ahead of ourselves on this. Thanks

Because of the long South Carolina sentence, and because of the possibility of an error release from New York, we believe it is in the best interests of the State to maintain his custody. If you have any questions, please advise.
