

Dear Governor Haley,

My name is Paris Cook. I am a 5<sup>th</sup> grader at Granard Middle School, Gaffney, SC. I have a topic that I would like you to discuss at your next meeting. Why do teachers get paid very little in the state of S.C.? Athletes get paid more than the teachers that taught them. Please discuss this topic at your next meeting, and please write me back. Thanks for taking a moment to read my thoughts in advance.

Sincerely,

Paris C. Cook
