A promotional image for a roller coaster. In the foreground, several people are seen from behind, wearing large, green, insect-like helmets with glowing yellow hexagonal patterns and long antennae. They are standing in a queue. In the background, a tall, white roller coaster track with blue and green accents rises into a blue sky with white clouds. The track has a steep drop and a loop. The overall theme is sci-fi and alien.

FURY 325 GRAND OPENING

press conference and catered lunch

As a very special guest of Carowinds, you get to experience the pomp and circumstance of the ribbon cutting, along with the “oohs and ahhs” and tasty Carolina cuisine, prepared by Carowinds’ new executive chef and culinary team.

Prepare for the ride of your life

- Rise 325 feet (30 stories) above ground in an open-air train
- Initial drop is a thrilling 81 degrees
- Race through a series of hills, curves and quick transitions at speeds of up to 95 mph
- Nose-dive *underneath* a bridge used by guests at the park’s entrance
- Swoops over, under and past guests a total of four times during its run

It’s the “*don’t miss*” media event of the year
