Hi Nicole,

My name is Ellen Aldin at the BGR Group, which represents the Government of India – I left a message on your voicemail earlier today, though this might be a more effective way to reach you. I am helping the Embassy finalize the guest list for Prime Minister Modi's address at Madison Square Garden this Sunday, and even though the Governor has not officially confirmed her attendance yet (though the confirmation list I'm working from is a couple days old...), we are asking for some contact information from all potential attendees, if it's available.

First of all, if the Governor is attending, will she be bringing any guests to the event, like staff members or a spouse? If a guest is attending, we are looking for a phone number from the guest that can serve as a point of contact for the Indian Embassy should there be a last-minute change of plans that affects the Governor. If the Governor attends the event alone, we are asking for a contact number that would be able to get information to her quickly in case of changes.

Would you be able to provide this information in the event of the Governor confirming her participation in the event?

Thanks,  
Ellen
