Dear Gov. Haley:

I am disgusted BY what Greenville County CPS HAS done TO my FRIEND Jay and Jackie YU, and am even more disgusted by the way you acted like she's too UNIMPORTANT TO be heard.

You can BET THAT I am writing The new PRESIDENT and Reminding him how your STATE agency failed TO RESPECT THE CONSTITUTION, OR, THE FAMILIES come FIRST ACT. HR. 5456 Which is supposed TO KEEP BLOOD family TOGETHER.

My FRIEND MRS. YU has Raised her autistic grand daughter Bella, For A Long Time, And For NO Reason Greenville County decided TO Remove The child. My friend has done NOTHING WRONG EXCEPT EXPOSE CORRUPT CPS OFFICIALS ON THE INTERNET.

The autistic child is now in foster  
care and most likely terrified  
as the parent of an autistic  
child I can tell you they  
don't respond to having the  
world they know changed.

My friend tried to plead her case  
to you, and you shewed her away  
as if the people are unimportant  
to you.

So enclosed is a copy of a  
letter I wrote to President  
Trump about the situation and asked  
him to re-consider inviting you into  
to be in his cabinet. I've pointed out  
to him that the common man is  
to unimportant in your eyes

This will be a lesson to teach  
you not to ignore the people

Find me on line 2 erase  
corruption all the  
time

Dear President Trump,

I am writing you on Behalf of my Friends Jackie and Jay Yu of Berea, South Carolina and How They have had thier Lives disrupted and Their familye forever destroyed when They Became The Victims of A Witch hunt Lead By Greenville county CPS (864) 467-7700 - 301 University Ridge #6700 Greenville, SC. 29603) I am also Concerned about you Wanting Nikki Haley SC Gov. in your Cabnit

My friend MRS. YU has Been Raising her autistic Granddaughter Bella for years without Incident. Suddenly, and without Warrant, Greenville county CPS decided to remove the child and place her in a foster home. This violates the federal families come first ACT. Part about Keeping Blood families Together.

Being autistic, my friends granddaughter  
is most likely terrified right now.  
I have an autistic son myself.  
IT IS IMPORTANT THAT THEIR ENVIRONMENT  
NOT BE CHANGED DRAMATICALLY.

My friend EMPLOYED her case TO  
Gov. Haley, and was shewed  
away as NOT BEING IMPORTANT  
ENOUGH TO EVEN HEAR her PLIGHT.

I THINK YOU SHOULD SERIOUSLY RE-  
CONSIDER HAVING HER IN YOUR CABINET.  
SHE'S A BROWN NOSED POLITICIAN WHO  
DOESN'T CARE ABOUT THE PEOPLE.

AND YOU SHOULD CONSIDER PLACING  
SERIOUS SANCTIONS AGAINST  
GREENVILLE COUNTY CPS FOR  
VIOLATING THE FAMILIES COME  
FIRST ACT H.R. 5456 AND  
CUT THEIR FUNDING DRASTICALLY.

Thank you Sir President
