The Honorable Nikki R. Haley  
Governor of South Carolina  
1205 Pendleton Street  
Columbia, SC 29201

Dear Governor Haley:

Regarding Requiring Students to Pass a Civics Test before Graduating from High School,

I'm in favor of legislation that would require students to pass a Civics test before they can graduate.

As a concerned citizen, this legislation will affect me in the following ways. The graduating students would be much more aware of their responsibility toward their government representatives as well as the how government affects everything they do

I also think that with a little training in the precepts, we may have a few more great candidates out there to lead in the future.

A proud member of National Write Your Congressman.

Sincerely,

David Brown
