Cleveland Right to Life celebrates incremental child-murder "regulation" bill
- Fwd: BREAKING: Heartbeat Bill Passes With Veto Proof 60 Votes!

Cleveland Right to Life is part of the so-called "Personhood Alliance" [?], but also supports legislation which incrementally "regulates" the murder of children in the womb, such as this so-called "Heartbeat Bill" in Ohio which does not Establish Justice for pre-birth human beings at fertilization. Are members of the "Personhood Alliance" required to support only true personhood legislation ?

Apparently not.

This demonstrates the difference between pro-life advocates who base their position on the Bible versus those who do not. Cleveland Right to Life apparently does not. Man does not have the authority under God to incrementally "regulate" murder.

God says, "Thou shalt not kill (murder)." Exodus 20:13, **KJV**; and Jesus Christ, Who is God, says, "Thou shalt do no murder,..." Matthew 19:18, **KJV**

Last Minute Votes Make the Heartbeat Bill Veto-Proof

BREAKING: Heartbeat Bill Passes With 60 Votes!

Ohio House sends strong pro-life message
Right to Life Action Coalition of Ohio applauds vote to pass Heartbeat Bill.

Yesterday the Ohio House of Representatives voted with a veto-proof 60-35 majority to adopt the Heartbeat Bill (House Bill 258), the legislation to protect unborn children by making aborting a child with a beating heart illegal.

"We are grateful for the leadership of sponsors Rep. Christina Hagan of Alliance and Rep. Ron Hood of Ashville working this bill through the process" commented Ed Sitter, President of the Right to Life Action Coalition of Ohio. "We are also thankful for the 60 members who realize that all life is worthy of protection and supported the bill."

After an extended floor debate punctuated by a recess for a caucus and a number of amendments offered by Democrat members which were all tabled, the measure was approved 58-35. However, two members who did not vote at the call, Democrat Rep. Glenn Holmes of Trumbull County and Republican Rep. Marilyn Slaby of Stark County, cast votes in favor later during the session making the final tally 60-35.

"It is an exciting day for the cause of life" noted Molly Smith, Vice President of RTLACO.

"Now that the House has shown the strength to confront the expected veto of Governor Kasich, we look forward to the Senate quickly adopting this bill and making it Ohio's law."

Cleveland Right to Life thanks all members who took action and called State Representatives yesterday to ensure this lifesaving result.
