Subject: S. 995 OBAMATRADE ALERT 2

It's time to stand and fight against circumventing the US Constitution.

PLEASE also be aware of the "conservative" GOP Presidential candidates who think the Trans-Pacific Partnership trade deal is a wonderful concept. I urge you to throw your support behind those who are AGAINST S. 995 OBAMATRADE.

Please go to this web site and click the ACTION CENTER to sign up for sending letters and emails to your leaders.

Thank you,
Larry Bateman
