Katherine,

This is one of the things on my list to talk with Gov. Haley about. Cherokee Springs FD had several board members who never attended. I suggested that the Chief send out certified mail to let them know of their absences and see if they wanted to rectify the situation. He had a couple resign and one who didn't respond (but received the letter).

They are an elected board, but it is hard for them to function when a member (or members) never even attends or calls, etc. Is there anything we can do to help their situation?

Thanks,

Shane

Trent,

I am still waiting on my meeting with the Governor. I have several issues on my agenda. Do you mind if I reach out to her staff in the interim to get some answers?

Shane

Mr. Martin

I am preparing for a commissioner meeting and was asked what is the status on you talking to Governor Haley's concerning Elected board members missing meeting for over 2 years.

I was asked if we need to write a letter, I advised the board the last conversation you and I had, you were going to talk to her or her staff concerning this issue, and you may try to get a bill passed for attendance requirements for elected officials.

Please let me know what we need to do, or the status of this issues we are facing.

Thanks
