All,

Attached is the State Budget Division's "Summary Control Document" showing the budget as passed by the Senate for FY 2013-14. It is important to note that the Capital Reserve Fund (CRF H.3711) has not received 3<sup>rd</sup> reading from the Senate. It is expected that this may occur by middle of this week and a revised version of the Senate's Summary Control Document will be sent out if any changes occur at that time.

Please note that this document is the State Budget Office's attempt to maintain a historical record in summary form reflecting the recommendations/actions taken at each stage of the budget process. It is not intended to be construed as a binding, legal document.

Over the past year a number of recipients of this email have expressed interest in an Excel version of the SCD. The attached Excel version is included for informational purposes only.

If you have any questions or would like to be removed from this distribution list or have someone added please contact me at the information listed below.

With best regards,
