Dear Governor Nikki Haley:

Thank you for your record on gun control issues thus far and recognizing the extremely vast majorities of gun owners and shooting sports including hunters are not part of the problems facing societies today.

Please work toward national carry reciprocity and recognize the whimpering by some to block decent honorable legislation.

It is my deeply held conviction that a good person with a gun can and will stop - responsibly - a bad person with a gun and we have seen this many times though media will not show this to the same degree they are infatuated with the other viewpoint. My legal ability to carry did save me a violent robbery of my managers assets in 1983 and it was solely the presentation that caused the would be robber to flee.

Keep our Second Amendment laws well protected for future generations.

Sincerely,  
Alex Redden
