## South Carolina State Parks

at 14:10:06 on 2/09/2021 UTC

Meet some girl scouts from Troop 1293 in the upstate! For a service project, these girls wanted to provide hiking sticks at no charge to some local parks. They will show you how they made them and where you may find one to use while hiking. They were generous enough to provide some to us at Paris Mountain State Park! So, if you're in the park, and need to borrow a hiking stick for the day, stop by the Park Center and grab one and thank Kayden, Emma & Sydney for their fantastic service project!
