Hi Gerry,

Since the construction and move of Upper Savannah COG's new facility does not involve any Aging or state funds, can you please let the inquiring staffer at House W&M know that and refer him/her to me for additional information if desired?

Thanks!

Trish

Dear Vanessa:

Thank you for providing the information to me this morning regarding Upper Savannah's move.

Per our earlier conversation this afternoon, the House has asked us to seek clarifying information from you regarding the move. If aging and state dollars are not to be utilized for the COG relocation, how will the move be funded?

Thank you for kind attention.

Sincerely,
Gerry

Gerry,

Upper Savannah Council of Governments/AAA has not moved. We are still located at 222 Old Phoenix Avenue in Greenwood, SC. No State funds, aging or otherwise, have been used to pay for any relocation of our offices. Nor does Upper Savannah have plans to utilize State funds in this manner.

Hope this helps clarify any issues you may have.

AAA Director
