[View it in your browser.](#)

Hi Tony ,

We wanted to let you know about our new pricing page. We consider ourselves pretty customer-centric with incredibly fast support response times and an industry leading uptime. When it comes to pricing, we don't change stride. We prioritize what our customers need by offering flexible pricing models that go against the industry norm.

Please take a look and let us know if you have any questions or would like to schedule a call!

3101 Iris Ave. Boulder, CO 80301
