

Dear Governor Nikki R Haley

My name is Michael English Jr.  
I have been ~~not~~ waiting on disability CS  
for almost 3 years. I have been through  
the process of waiting and going through  
the denials and when the Judge turn  
me down I don't understand what the  
doctor said I can't work because of the  
possible chance of another stroke and all  
the medication. I only get food stamps  
It helps but my mom still have bills  
that I can't help with and she is on a fix  
income. My doctor is Dr. Chris Cutshall  
in Spartanburg S.C. and my lawyer is  
Harrison, White, Smith and Coggins, PC  
Denise Wiley is handling the case now  
It's hard to make it on one income  
with two people I'm stuck on what to do  
and how to do it. Please can you help?

Thank You

Michael English Jr.
