Subject: Possible sit down with the governor

I just wanted to see if the AP could request a sit-down interview with the governor once thing settle down a bit so we could talk about the days and days of work on the flooding and also what has been a momentous year in South Carolina. I won't big you with a full pitch now, but can always answer any questions y'all have. And as I said earlier _ we can sit down after we finally dry out and get all this water into the Atlantic.

Hope y'all are holding up ok.
