

Dear Gov. Haley,

11/19/15

I write again to bring it to your attention. That you and your administration over these prisons in D.C. Need to step up to the plate and separate/segregate these level 3 prisons.

The buck stops with you (Governor) you allowing the Tom Niggers in this prison system to rape/rob and assault white inmates. The bottom line is for every 10, Niggers you got 2 white inmates.

Feel free to check the record and see how many black on white crimes/assaults you got in this prison. You allowing the white inmates to be slaughtered in these level 3 prisons.

You personally Need to be held accountable for the deaths of the white inmate, that are being brutally assaulted and murdered by these Crack baby thugs/Niggers.

I ask as an older white inmate in this prison system for the past 25 years. that you as the Governor of this state + the head of this prison system give us some help. Mess right around and let this dysfunctional prison system fall right in your lap and cost you dearly.

Last time I checked South Carolina was suppose to be part of the United States of America not some third world country.

We sitting in here basically with out any medical care. they got one part time doctor here at BCT for close to 1500, hundred inmates. You got us older inmates in here suffering because we can't get medical care. Give us some help to get out of here if you can't take care of us. The Good Lord don't like ugly.

Medical + lawsuits are costing the tax payers of the state a fortune. You Need to get us older fellows out of here we are suffering at your hands our blood is on you. Give us some help.

With respect,

WILLIAM ALLEN, SR.
