Good morning Christian,

Tony Keck's secretary just contacted me to change the date for the November 13th meeting. Once I receive the new date I will shoot you an e-mail.

I also just noticed that I gave you the incorrect meeting place. I apologize but I was scheduling two meetings for Bill at the same time and I believe I got this meeting info mixed up with his meeting with the Inspector General. The meeting with Tony Keck will held be at his office and not at the IG's office as stated below. His office is located on the 11th floor of the Jefferson Square Building at 1801 Main Street.

I will update you as soon as I receive notification of the new date. I apologize for the confusion. Thanks.

David Avant from our office will also be attending.

OK, so we're meeting in the IG's office then? Who else, other than he, Tony, and Bill will be attending?
Thanks.

Bill,

In setting up the meeting with Tony (which I'm inviting myself to, if that works)...does Geneva handle your schedule? If so, I'll work with her to coordinate. Thanks.
