Sid,

I am sorry. I have been out of the office until today. Do you still need this info?

Rep. Doug Smith, who has received a complaint from a local dealer is requesting the following info and he wants it Thursday. What are the operating costs for each dealer central, how many personnel staff each, etc... Any and everything we have on dealer central he wants. Can you let me know something Friday, Dec. 28, 2001 as early as possible?
