**Subject:** We need your help

In anticipation of our next stakeholder meeting on September 23rd, our Advisory Committee is working hard to determine a solid path forward for South Carolina in our unified fight against obesity and **we need your help.**

If you are engaged in or know of any evidence-based program that has shown measurable results in successfully reducing obesity, we want to hear from you. Please email Tiffany Mack at [mackta@dhec.sc.gov](mailto:mackta@dhec.sc.gov) with a brief description of the proven program or strategy, along with any contact information you may have.

We greatly appreciate your help in identifying successful anti-obesity strategies and look forward to sharing our findings with you in September. In the meantime, here is the much requested **SNAP Waiver Public Comment Report**, which was released today.

Thank you for your continued support of our fight against obesity.

Sincerely,

Catherine B. Templeton  
Director  
S.C. Department of Health and Environmental Control
