Subject:Facilty

Representative Dillard I'm xasking u to forward this email to all legislatures.y name is Jack Logan Founder of Put Down The Guns Now Young People Organization in South Carolina. I was invited to speak at John De La Howe School in McCormick South Carolina. I was elated with everything I witnessed with the behavior of allbthe kids. The school itself. Kids shown how to work. This school and its program should be a role module for our South Carolina Department of Juvenile Justice. I have gone to 98 percent of facilities in our state and this facilty set apart from all the rest. I personally ask all lawmakers to visit this school
