Hi Holly,

Thanks for the questions. My answers follow:

- She is happy to do a photo shoot with donors. Let us know of potential opportunities.
- Nicole said she has not heard back from you on a photo op with Physician's Care, but she is still willing to do one with them. Please let us know when this can be done.

The easiest approach will be to secure dates/times when the Governor is available. We can contact donors and coordinate photo sessions at the Statehouse or area of damage/rebuild.

- And, she would like to visit a site where homes are being rebuilt/repared with One SC funds. Is that possible anytime soon?

I believe that there will be some 'housewarming' opportunities beginning on February 15th. We will also contact our Round One grantees and our Round Two 'house in the box' grant recipients to secure dates that furnishings and families will be moved into their homes. (Dana, would you help with this project? Thank you!)

Cheers!
