Hi Ellen,

October 29 at 11:00 works for us. Christian will attend as well, and we would be happy to meet in our office, if convenient for everyone.

Thanks!  
Rachel

Hello! Sorry for delay...so schedules have shifted somewhat. Dr. Ladner will still be testifying on 9/26, but the rest of the team will come in on Tues, Oct. 29.

Is there a good time for you that day? I know it's a ways out. J We currently have a tentative mtg held from 12 -2 p. m. so anything immediately around that window would work well from our end!

Happy Friday!

Yes, thanks for thinking of me. It would be great to meet the new team. Right now, my schedule is flexible on the 26<sup>th</sup> so let me know what works for them.

And here you thought you could go a week w/out me emailing you! J

Quick question – there's a new team handling South Carolina for Jeb's education foundation now. They may be in town on Sept. 26 (we got Dr. Matt Ladner to come in and talk about Florida's success with McKay scholarships at the Senate special hearing that Sen. Hayes is chairing that day).

Would you have any interest in touching base with the team while they're here – all different people than last time.
