Here's the final. Hank, please let me know what else you need. This is just for the Upstate. We're shooting one on Monday with Sheriff Lott

Darryl brought over the prescription drug take-back PSA yesterday afternoon... I think it looks really good. Have y'all already discussed the distribution method(s)... Ray Sharpe, etc.? Also, I may add to YouTube and send to a few people (like AARP) who will help us spread the message... if this is the "final" version that I have.
