Dear Ms. Christy Hall,

I want to start by commending your leadership with the Governor on the flood emergency we had in October. We faced a once in a lifetime event. You all did a great job with your performance and execution with this matter. I know a lot of work is still being done, but any assistance I can give please let me know.

I want to bring an issue to your attention. Your staff in Richland County is first rate. They have kept me informed and addressed all of my concerns. U.S. Highway 21 at Lake Elizabeth is still out. The community dam is affecting the Construction of the Highway. I request that any assistance we can receive, I will greatly appreciate. This is a major thoroughfare. It coincides with Interstate 77 and not only Northeast Richland, but a lot of Commerce. I thank you in advance.

Sincerely,

Joseph McEachern
